**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition into the market. If you limit access only to large Corporations; then you will essentially create a monopoly which would create less competition and force Users to pay more money due to increased fees.

Please allow open market competition!
